

Lound Crier Concern

The Lound Crier was set up by the Village Hall Committee over 50 years ago. Each month, it is produced and distributed by volunteers providing you with news and information related to the village.

However, it is now becoming more and more difficult to fill the pages of the Crier due to lack of news and village interest.

Your help is urgently required for its continued publication as we do not want to see it fold! Therefore, can you please help with new ideas or details on how we can keep the Crier in circulation. Please reply to the Crier Team via the village website. **Thank You**

Village Trees

The Parish Council recently arranged for 'Via' to survey and report on the condition of all the trees on the playing field and village garden. This was to inspect and report on their condition and defects together with actions required. Some are to be trimmed or removed if diseased. This work is to take place in the coming weeks.

Due to the recent high winds one of the old dead Sycamore trees in the village garden is now leaning. Although soon to be cut down, early arrangements have been made to safely remove this tree together with some leaning trees in Linghurst Lakes.

Austen Addicts

'Austen Addicts' meet once a month in Sutton-Cum-Lound Village Hall, pictured above enjoying a feast of Regency food. Members share their reading and viewing, hear short talks, and discuss all things related to Jane Austen. Everyone is very welcome, whether a huge fan or just someone who enjoys good company and wants to know what all the fuss is about.

>Jane Austen was an English novelist known primarily for her six novels, which implicitly interpret, critique, and comment upon the British landed gentry at the end of the 18th century.

The next two meetings are on **September 12th and October 10th** - Why not find out more by emailing:

judith.hedley22@gmail.com.

Phoenix Group

The guest speaker for **Wednesday 11th September** (7.30pm) is Linda J Jackson.

Her talk is entitled *'Music Hall, Bigamy and Desserts'*.

It is a story about the life of her great grandfather and how she traced him with only his daughters birth certificate as a starting point.
