## Lound Oil Syndicate

Hi! I'll put in an oil order if anyone would like some. Please contact me before **4th December.**

I checked out the Boiler Juice price recently, which, individually, was very slightly cheaper than Peak Oil's best offer for a syndicate (around 55ppl).

You may wish to use Boiler Juice or remain with the syndicate. Prices do go up and down so you may prefer to purchase through the syndicate.

Also, Boiler Juice might not be able to deliver so quickly. So it's swings and roundabouts really!! Carol Woodward Tel: 01777 817148. [carol.woodward@icloud.com](mailto:carol.woodward@icloud.com)
